

Area 70 Website Survey Redesign of AAVT.ORG

Area 70 is considering a redesign of its current website – aavt.org. Before we embark on this project, we'd like to know what the members and groups in Vermont would like to see. The Website Committee would greatly appreciate your feedback and hope you'll share this survey with your group. Please consider the survey a guide for input and feel free to add any and all comments. Return to the District Meeting or scan and send to area70website@aavt.org.
