**Full Area Assembly
Sunday, December 9, 2018**

St. Alphonsus Parish Hall, 2918 US Route 7, Pittsford, VT 05763

The Parish Hall is 7 miles north of Rutland on Route 7.

There may be more favorable ways for you to get there than those suggested below.

From the North West: Find your best route toward Brandon and Route 7 South (I-89, Route 116, etc.). Follow US Route 7 south through Brandon to Pittsford. After passing through the village of Pittsford you'll see a sign on the right indicating 7 miles straight to Rutland and 4 miles to the right for Proctor; and more importantly a brick church on the right. The Parish Hall is on the left. It sits back from Route 7 behind a couple white buildings.

From the North East: Find your best route to Interstate 89 south. Take exit 3 and go right towards Bethel. In Bethel swing down to the left to stay on Route 107 west. Merge with Route 100 south through Pittsfield. At the intersection of Route 4 go right to Rutland. In Rutland go right on Route 7 north to Pittsford. Just after Vermont Route 3 joins from the left followed by Arch Street to the left, the Parish Hall is on the right across from the brick church. It sits back from Route 7 behind the white buildings.

From the South West: Take US Route 7 North through Rutland to Pittsford. Just after Vermont Route 3 joins from the left followed by Arch Street to the left, the Parish Hall is on the right across from the brick church. It sits back from Route 7 behind the white buildings.

From the South East: Take your shortest route to US Route 7 in Rutland (routes 100, 103, 131, etc). Follow Route 7 north to Pittsford. Just after Vermont Route 3 joins from the left followed by Arch Street to the left, the Parish Hall is on the right across from the brick church. It sits back from Route 7 behind the white buildings.

From the West: Take Route 4 toward Rutland and Exit 6 to Business Route 4. Then take a left on Route 3 north through Proctor. Just after Vermont Route 3 joins Route 7 north from the left followed by Arch Street to the left, the Parish Hall is on the right across from the brick church. It sits back from Route 7 behind the white buildings.
