## The A.A. Group & 12<sup>th</sup> Step Work

“... The main difference between meetings and groups is that A.A. groups generally continue to exist outside the prescribed meeting hours, ready to provide Twelfth Step help when needed.”

- excerpt from The A.A. Group... where it all begins (P-16)

Is your group providing Twelfth Step help outside of the regular meeting time? Have you considered offering assistance to one of your district's service committees, such as Public Information or Corrections? Some groups “adopt” a library or a literature rack in their community, and ensure that their local library always has a copy of the Big Book and the Twelve & Twelve on its shelves, or that a designated literature rack is kept full of current meeting lists and A.A. pamphlets. Ask your D.C.M. how your group can help!

An intergroup or central office is an A.A. service office that has a physical location and is staffed by A.A. members to assist visitors, members, and groups during specific hours. The office exists to as a resource to groups and interested members of the public by stocking literature, answering phones, and carrying the A.A. message to those who are interested.

Vermont does not have any Intergroups or central offices, so all of our general service work is done by individual volunteer members of district and area committees – regular AA members. No matter what your interest or skill set there is something for you to do in service to A.A.!

- Does your group have a G.S.R. and an Alternate?*
- Does your district have a D.C.M. and an Alternate?*
- Does your district have open service positions?*

... many members have said that it was when they got their first service commitment that they really felt connected to the Fellowship.
