Yes!

This is the back of the flyer for the Randolph Fellowship's
resumption of the fabulous

Annual Pie Night

Potluck & Pie Competition.

Yes! Potluck!... and Pies to be judged on taste, innovation*,
aesthetics, humor, archetype, and other qualities too
numerous to mention (and not in any order), by an unofficial
committee of tasters who are open to suggestions (and
other) from the audience at the AA meeting that follows the
Potluck. This is an invitation to come enjoy Potluck, to enter
a PIE and perhaps win the prestigious RIBBON, to
comfortably enjoy an AA meeting on a full stomach, and to
help revive our Annual Festivity.

Please take this flyer and invitation to all the meetings you
attend between now and March 16th and invite everyone to
come back out and enjoy our AA Fellowship.

Note that Potluck begins at 5:00, and the AA meeting at
6:30PM. Extra credit for bringing your own fork and plate,
and for cleaning up afterwards. Also, you entrants, for
providing your own pie slicer and a label.

!Good Luck!

*Hotdog and bun pie with cheese topping and 'kraut side could be a favorite.
